			D 1 (D)				
			Product Plan				
	ID	Task	Description	Start Date	Due Date	Progress	Responsible
	1	Documentation / Preparation	Research and filling out all required documents before development can start	07.05.2018	11.05.2018	100% Completed	Jonas
	1.1	Functional Specification Document	document that specifies the functions that a system or component must perform	07.05.2018	11.05.2018	100% Completed	Jonas
	1.2	Project Planning documents	Document containing due dates / milestones and project progress	08.05.2018	11.05.2018	100% Completed	Jonas
	1.3	Gantt Chart	bar chart that illustrates a project schedule,	09.05.2018	11.05.2018	100% Completed	Jonas
	1.4	Illustrations and Diagrams	Illustrations and diagrams of how the project will look and behave	10.05.2018	11.05.2018	100% Completed	Jonas
	2	Planning / Research	Creation of personaes, wireframes, proptypes and design schematics	14.05.2018	18.05.2018	0% Completed	Jonas
	2.1	Personaes and StoryBoards	Graphich organizer of how it will look and feel, and who the project is targeting	14.05.2018	18.05.2018	0% Completed	Jonas
	2.2	Design schematics	Preparation and planning of the design and layot of the project	15.05.2018	18.05.2018	0% Completed	Jonas
	2.3	Wireframe	visual guide of the website framework	15.05.2018	18.05.2018	0% Completed	Jonas
	2.4	Prototype	A prototype / example of the finished product	15.05.2018	18.05.2018	0% Completed	Jonas
	3	Design and Development	Begin development of the final product	21.05.2018	06.06.2018	0% Completed	Jonas
	3.1	Choose relevant API	Decide on releveant api's to use	21.05.2018	06.06.2018	0% Completed	Jonas
	3.2	Design and develop index.html	Startpage, create navigation and footer for the project, and start on the content	21.05.2018	06.06.2018	0% Completed	Jonas
	3.3	Develop live feed section	Create web page for watching live feeds, implement js functionality, nav and footer	22.05.2018	06.06.2018	0% Completed	Jonas
	3.4	Develop News section	Create web page for reading news and other stories	24.05.2018	06.06.2018	0% Completed	Jonas
	3.5	Develop Calendar	Create webpage for launch calendar, JS and DOM functions	25.05.2018	06.06.2018	0% Completed	Jonas
	3.6	Develop admin sign-in and contact	Creating sign-in area for admins and contact form	28.05.2018	06.06.2018	0% Completed	Jonas
	4	Complete development and Test	Finish what work remains and begin testing	28.05.2018	06.06.2018	0% Completed	Jonas
	4.1	Complete Remaining Work	Buffer days to finish up in case of delays	28.05.2018	31.05.2018	0% Completed	Jonas
	4.2	Test finished product	Test the product to search for bugs to resolve	01.06.2018	06.06.2018	0% Completed	Jonas
	4.3	Resolve bugs registered	Resolve all found bugs and errors on the website	01.06.2018	06.06.2018	0% Completed	Jonas

4.4	Prepare to roll-out	Prepare and launch final product	04.06.2018	06.06.2018	0% Completed	Jonas
4.5	Report	Begin to create a final report of the project	04.06.2018	07.06.2018	0% Completed	Jonas
		Milestones				
ID	Milestone	Description	Approved Date	Approved By	Due Date	
1	Documentation	When all documents are completed and approved	TBA	TBA	11.05.2018	
2	Prototype and Design	When prototype and design plans are completed and approved	TBA	TBA	18.05.2018	
3	Finished Product	When the project is completed and ready for testing	TBA	TBA	31.05.2018	
4	Launch	When the finished product is launched	TBA	TBA	06.06.2018
